Not feeling the joy of this Advent season and the upcoming Christmas season? Many people don't. We miss our departed loved ones more now than any other time of the year. We may just feel "down in the dumps" or "blue".

Please attend our Blue Christmas Prayer Service. Enjoy beautiful music, a candle lighting ceremony, scripture and prayer. Alleviate some of your stress of the Season, leave feeling peaceful and ready to celebrate the true feeling of Christmas—which is that God loved us so much that he gave us his newborn son to save us for all eternity.

Even if you're enjoying the Season, please come anyway. This is a Christian based prayer service. All are welcome. Please invite your family and friends. To ensure that we have enough votive candles for all attendees, please contact our Parish Center at 201-845-9566 or email BlueChristmasolqp@gmail.com.
