

## INCLUSIVE FAMILY MASSES Archdiocese of Newark

Everyone is welcome at Inclusive Family Masses. These Masses are adapted for individuals with disabilities, their families and friends. Very often individuals or families living with developmental, intellectual and/or other disabilities do not feel welcome attending their local parish liturgy, although they are very welcome. These are the people and families, in particular, that we are welcoming to attend these Masses and to celebrate the Eucharist with other members of the surrounding community. For questions about directions and particular locations, please call the number listed for each parish.
